Case No. [17-cv-03962-HSG](#)
**ORDER DIRECTING
SUPPLEMENTAL BRIEFING**

Re: Dkt. No. 1044

13 In the joint proposed class notice plan, the parties dispute whether “individuals who use
14 glasses or contacts but whose vision does not correct to 20/20 have a vision disability under the
15 ADA Amendments Act of 2008, 42 U.S.C. section 12102(4)(E)(ii) & (iii)(l).” Dkt. No. 1044 at 5.
16 This issue bears on subclass composition, and by extension, on notice.

17 The Court is somewhat surprised that the parties continue to dispute issues of law and class
18 composition at this late stage in the litigation. And the burden is on the parties to sufficiently
19 support their respective positions so that the Court can resolve the dispute. Accordingly, the Court
20 DIRECTS each party to file a supplemental brief of five pages or less by June 13, 2025. This
21 briefing should provide a legal basis, with supporting case law, for each party’s position. The
22 parties may not raise or address any other issues. No responsive briefs are permitted, and this
23 matter will stand submitted once the supplemental briefs are filed.

25 **IT IS SO ORDERED.**
